

REMARKS

The above-identified application has been amended as follows:

Claims 19-30 and 32 have been canceled. These claims have been canceled to place all method claims in one patent and to move other classes of statutory subject matter to a continuing patent application, which will be filed once this amendment has been entered.

Because these corrections are minor and formal, do not involve new matter, and do not in any way affect the nature or scope of the invention, it is believed that they may be entered under the provisions of 37 C.F.R. §1.312 without withdrawing the application from issue.

The Issue Fee has not yet been paid.

Should the Examiner believe minor matters still remain that can be resolved in a telephone interview, the Examiner is urged to call Applicants' undersigned attorney.

Respectfully submitted,
